### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

It is expressly provided as a condition of this permit that suitable watering places shall be installed, and the same shall remain unfenced, in order that the traveling public, as well as unherded stock, may obtain water from the source as heretofore. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One fortieth cubic feet per second. (0.025)

Actual construction work shall begin on or before April 17, 1916.

Proof of commencement of work shall be filed before May 17, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before October 17, 1916.

Application of water to beneficial use shall be made on or before April 17, 1917. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 17, 1917.

WITNESS MY HAND AND SEAL this 17th day

of November, 1915.

Cancelled DEC - 3 1917 because of failure of applicant to comply with provisions of permit.

State Engineer.
